

GROW in Mission: Lead in the Great Commission (Matt. 28:19-20)

Goal - What would it look like to lead your group to grow in mission this year?

Example: pray regularly for unchurched, memorize gospel presentation, etc..

Reality – Where are you now? Evaluate your current situation.

Example: We rarely have time to pray for unchurched friends. Group members don't know how to share the gospel. We just simply forget.

Obstacles / Options - What may keep you from reaching your goal? What are different options to achieve your goal

Example: people rarely pray out loud in group, people don't come prepared.

Way Forward - What are some of the next steps? Who will carry out these next steps? And when? Will you “do” or will you “delegate”? Do you need / want input from staff?

Example: Talk about how and why to pray for the lost. Ask staff about a good gospel presentation.
